## **Non-Profit Information Booth Letter and Application**

### **Dear Booth Participant:**

Join us for Ashland's Old-Fashioned 4th of July Celebration - Thursday, July 4th, 2019. Our annual Celebration includes a run organized by the Ashland Parks & Recreation, followed by a Parade enjoyed by over 20,000 spectators each year. After the parade concludes, there are over one hundred booths in Lithia Park featuring food, crafts, information and a Family Activity Zone while bands, including the Ashland City Band, perform all afternoon at the Lithia Park Bandshell. In the evening, enjoy the spectacular Fireworks which are visible all throughout town.

### **Ashland's Old-Fashioned 4th of July Mission Statement:**

The mission of the Ashland Chamber of Commerce's Old-Fashioned 4th of July Celebration is to create and operate a long-standing historic Ashland tradition to celebrate our country's independence, freedom and liberty through this annual event. The Celebration includes the parade, park activities, family activity zone, live music and fireworks – all being meant for a family-friendly audience and to embrace community building by promoting a welcoming atmosphere for all individuals through encouragement and acceptance of one another without judgment or exclusion as to differences in race, sexual orientation, religion, ethics, beliefs or political affiliation. This is something we embody with each of our events throughout the year. Each year for the Old-Fashioned 4th of July Celebration, our Planning Committee selects a unique theme to honor in the Parade and through our Grand Marshal(s). Local Dignitaries and Veterans are also honored. All Participants must adhere to this mission when in our event permit areas. ## Handouts:

The Ashland Chamber of Commerce takes steps each year to lessen the amount of trash generated in an effort to make this event more sustainable. Please help us by being mindful of the materials you bring to the event that will become trash:

- As opposed to handouts - consider social media, email lists or a website address in your booth space to engage visitors.
- When possible, use as few disposable products as possible and encourage others to recycle. Examples of disposables: cups, single-serve condiments and disposable cutlery.
- Think of items that require less constituents and/or packaging materials. Cardboard can go into the Comingle Bins in the Park, but MUST be broken down first. In your confirmation packet, you will receive a list of items which can be recycled in the Park that day.
- The Ashland Chamber of Commerce supplies portable drinking water stations in the park. Please bring reusable water bottles and stay hydrated.
- To avoid a cleaning deposit fee, please let us know what measures you are taking to avoid making trash and confirm that you will clean up your booth area at the end of the event.
