

# Personal Property Inventory

---

Fill out the sections below to create a complete inventory list of your belongings. This document can serve as a reference guide when completing an official claim form in the event of a covered loss. Conducting an inventory of your personal property can also help you determine whether you have sufficient coverage before a loss occurs.

Complete each section that is applicable to your home.

- Living Room/Den/Family Room
- Dining Room/Kitchen
- Home Office
- Bedrooms
- Laundry/Utility Room
- Attic/Basement
- Garage/Shed
- Outdoor/Patio
